I authorize and request CopyCat Music Licensing, LLC to be my agent for requesting permission to arrange and perform the foregoing materials. I agree to pay the fee total indicated above for this service. I understand that the normal timeframe for the permissions process is 6-8 weeks.

I agree to make any and all payments requested by the copyright owners for the right to arrange and perform these selections and hereby indemnify and hold CopyCat Music Licensing harmless should we fail to comply with one or more term outlined in the licenses procured by CopyCat Music Licensing. I understand that the fee paid for the Copyright Permissions Service does not cover any permission fees charged by the copyright owners. I understand that there is no guarantee that all of my selections will be approved. In the event a selection is not approved, I may substitute another selection at no additional cost. In the event that ALL of my selections are denied, I may choose to receive a refund of all but \$75 of my fee.

If I have chosen the 21-day option I understand that there is no guarantee that all permissions will be secured in 21 days. The payment of this fee ensures only that CopyCat Music Licensing, LLC will do everything in their power to secure permission in the requested time frame. Furthermore, I understand that CopyCat Music Licensing's ability to secure permission within this timeframe is dependent upon prompt responses to any requests for additional information.
